PIMA COUNTY
Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the August 4, 2020 Primary Election. Four percent of precincts were counted as required by the Pima County Board of Supervisors, which amounted to ten precincts out of 249 total precincts.

The hand count began on August 5, 2020 when representatives from the Pima County Republican and Democratic Parties met to discuss the number of precincts and early ballot batches to be audited. On August 8, 2020 at 7:30 AM representatives of the Democratic, Republican and Libertarian Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Democratic Party was chosen to go first.

With the order established, the specific precincts to be counted were selected with the representatives from each party alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Four contested races were chosen as required by law. The following list displays the contested races that were counted:

Federal Candidate	U.S. Representative in Congress - Democratic Party
Federal Candidate	U.S. Representative in Congress - Republican Party
State Legislative	State Senator - Democratic Party
State Legislative	State Representative - Democratic Party

The master precinct and race selection lists are attached for review. The physical hand count started at 9:00 AM on August 8, 2020 and was concluded at 11:00 AM on August 8, 2020. The tabulation method used was the stacking method. The hand count was conducted by 13 boards consisting of 3 or 4 members, of which not more than 2 members were from the same political party. This hand count included votes cast on both paper ballots and the touch screen devices from the selected precincts.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 7 batches, each containing 250 early ballots. There were a total of 161,901 early ballots cast in Pima County by Primary Election Day.

Comments:

No discrepancies were found between the early ballot / precinct totals and the results of the early ballot / precinct hand count totals.

Brad R. Nelson. Election Director

Master List of All Contested Races

August 4, 2020 Primary Election

Category: Presidential Elector

Category: Federal Candidate
